

## 2022 Women of Accomplishment Finalist

Jane Hapeman

I graduated from Western Michigan University and completed a one-year internship in dietetics at Hines Veterans Administration Hospital in Maywood. I worked at Rush Hospital in Chicago, Koch Hospital in St. Louis, Mo and for 30 years at Kishwaukee Hospital in DeKalb as a registered dietician. My career at Kishwaukee started shortly after the death of my husband, Larry Hapeman, who was a professor at NIU. I have 3 adult children and 4 grandsons. I have been married to Chuck Lupinski for 25 years. He has worked at Kishwaukee Hospital for over 40 years.

For over 20 years I have approved the menus for the local Meals on Wheels Program. Over the years I have also helped to deliver these meals to home bound residents. I am an active member of First United Methodist Church in DeKalb and have also been involved with the local CROP Walk.
