

2022 Business of the Year Nomination

Business Name

Byers Brewing Company

Briefly describe the history of growth and/or job creation by the business.

Byers Brewing opened in August of 2019. It started with owners Steve and Megan Byers and 6 beers on tap. Over the last few years they have expanded their beer profile and also added seltzers to the menu. They added an additional fermentor last year and will start 2023 with a major increase in production capability. They have also expanded the team to include a full-time brewer, full-time sales man, and a few part-time servers.

Please list awards, achievements or special recognition received by the business.

The business has not received any awards or special recognitions. They did however fulfill a long-time dream of entering beers into the Great American Beer Festival and one of them made it to the last round. While they did not win anything, the beer will only continue to get better!

Briefly describe how this business has gained the respect of customers and employees.

Byers Brewing Company has continued to strive to produce the highest quality beer for the community. They provide a fun, family friendly space so that the entire community can feel welcome. They truly want to make everyone feel at home when they come to the brewery.

Describe how this business has been involved in the community.

Byers Brewing Company gives back to the community when they can. They sponsor golf outings and other events and donate raffle baskets to many different local fundraisers. They also provide an outlet for local musicians and artists with their open mics and craft markets.
